

## ANNUAL REPORT 2017-18

Dasmesh Girls College is one of the most prestigious colleges of the region of Hoshiarpur district. In a short span of time it has reached the pinnacle of success all due to the administrative acumen of the Principal, the ever supporting management of the College and the wholly dedicated staff. It is an institution where learning is a religious habit. It aims at imparting value-based education along with the skills required to compete in this modern cut-throat competitive era. The college serves as a beacon of light to the girls of this rural area who fulfil their dreams of getting higher education without migrating to bigger cities or capitals.

The consistent journey in the academic excellence has brought various accolades to the institution including quality benchmarking by various faculties. The College has earned reputation for its high quality educational programmes and research activities. Active teaching work in the College is facilitated by highly qualified and motivated staff. Accreditation A by NAAC is the seal of academic performance which the college has earned by virtue of its dedication and honesty.

As a composite college and a multi-disciplinary institute, it provides opportunity to the students to interact leading to cross-pollination of ideas with merit-based and rigorous selection process. Our students today include the best and the brightest. Besides, to explore this potential and provide them direction, cohesive training programmes like Seminars, Workshops and Symposia are conducted regularly.

To trim the mental acumen and to equip the faculty with intellectual sharpness, the college publishes an International Journal under the title Vision with ISSN where articles from eminent scholars are invited and published. Three such magazines are already published and the fourth one is in process. The institute also flashes an annual publication of Dharat, which is a compendium of the thoughts of different teachers and students.

Man has conquered space and fathomed the depth of an ocean. He has also entered the glorious age of scientific technology. It is also true that the miserable materialistic psychology has become deep-rooted in us. We, in the words of William Wordsworth "Have become too much with the world and the world is too much with us". We have started abusing the rare gifts of nature by inviting the self-created problems of global warming and environmental problem. The depleting Ozone layer is telling heavy on our health. To get rid

of this serious malady, our college invariably organizes tree plantation programmes to keep the atmosphere pollution-free green and fresh.
