

## The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. *(Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)*

## 2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes:

- The academic plan for the session is prepared and distributed among the faculty members. Faculty members are maintained their diaries of every semester according to academic plan.
- IQAC has introduced PPT to keep the students abreast of the latest trends in different subjects. The teachers are expected to present their lectures through PPT.
- Students are encouraged and motivated to come prepared and present their paper to the juniors or their classmates. This helps them to grow mentally and intellectually efficient.
- The students of the various classes are asked to prepare their assignments on the topics assigned to them.
- Projects are allocated to the students in groups.
- House tests are conducted to evaluate the grasping power of the students
- Feedback forms of the students and teachers helps the administrations to incorporate the necessary remedial actions.
- All the records of PPT presentations, student presentations, student assignments, test reports and examination (House and Final) results are maintained, monitor and used for evaluating the teaching & learning processes.

#### 4.2Computerization of administration and library

With the aid of Computers, the speed and accuracy of work has increased. Computers are not only user-friendly, but also reduce a lot of manual work and reduce the scope for errors. We can store a large amount of data in computer's memory, printout the documents and much more. It has become easier to find all the information/data on the computer. Administrative office is automated for keeping records, preparing salary statements of employees, application forms, admissions, examination forms, scholarship forms, library enrolment and other administrative work. The library is fully converted into digital library. The following Apps are used for this purpose:

- Biblio Software
- Use of OPAC
- DELNET
- Dropbox
- British Council Library
