Seeking Blessings From The Almighty

Celebrating Guru Nanak Dev Ji's Birthday (2019-20)

A Word From the Principal

At the very outset, I would like to send you warm greetings from the college. We are going through an unprecedented global predicament today. Each one of us and the entire world is affected by the Corona-virus pandemic, our economy, our families, communities and our entire way of life is adversely affected by the scare of infection and contagion. I would like to share your anxiety and preoccupations and express my solidarity with you and your families.

Looking at this most challenging and daunting situation the world is facing now, in the form of a pandemic, it is impossible to continue with traditional teaching methods; we are forced to conduct all teaching and learning activities online. In a way, technology has come to our rescue and education has effectively utilized it to avoid hampering the flow of disseminating knowledge. According to the latest guidelines of UGC : Blended learning is to be the need of the hour. It means we blend digital teaching methods with traditional means of teaching to make the entire process more efficient. The primary objective is to make the process of learning not only impactful but also engaging, interesting and challenging for the learner. This mode of learning, if adopted, by colleges, would prepare students for a technology-driven world. The world is constantly changing and we need to keep pace with it, including the education sector. The students will get an opportunity to learn at their own pace, and it will instill a sense of independence and responsibility in them. Fresh out of college, young students are just a few steps away from facing the harsh realities of a demanding and cut-throat competitive work environment. Our college has pledged of not just imparting a degree but making these young students ready for the challenges, that they will face once they step out of the college. We know that learning should not just be directed towards creating job-seekers but well-aware, informed and tech-savvy students is the demand of these crucial times. We, at Dasmesh Gsils College, ensure you all that we shall strive to make endeavors in all possible ways to make the young budding scholars an asset for the country and humanity at large.

About Our College

Dasmesh Girls College, an eternal link in the immortal chain of Sri Guru Gobind Singh Educational Trust, Chak Alla Baksh, Mukerian was established in December, 2001. It is an institution where learning is a religious habit. It aims at imparting value-based education. This seat of learning has been enunciating the gospels of Guru Gobind Singh in particular and the message of humanity in general.

The custodians in the field of education and the great philanthropists of the area got their dream materialised when they came forward with their mission of establishing the institution in the cradle of nature. The growth of the college became phenomenal when they contributed their might alongwith S. Parkash Singh Badal, the then Chief Minister, who showered his bounteous blessings on it on December 21, 2000. Since then this institution is inculcating the code of discipline and morality among students.

Dasmesh Girls College is housed in spacious pollution-free, picturesque and lush-green campus at a convenient distance from the town. A sense of splendour, beauty, discipline and academic excellence pervades the corridors of the campus.

At present, the college is having five tripple-storeyed blocks, viz., Arts cum Administrative Block, the Mata Gujri Block, Mata Sahab Kaur Block and Bhai Gurdas Block. The college has four sophisticated computer labs, a Language Lab, a Psychology Lab, a Maths Lab, a Physics Labs and a Chemistry Lab. Besides, a Zoology lab and a Botany Lab is also newly constructed.

College library is the life and soul of this institution. It is fully computerized for various operations viz., acquisition of books, cataloguing, classification, transaction (issue and return), enquiry etc. This year the college spent an adequate amount on the purchase of new books of different subjects to cater to the requirement of various readers.

This college is being managed by the experienced members of the committee. Under the innovative leadership of its Principal Dr. (Mrs.) Karamjeet Kaur, herself a dazzling luminary in the field of education, this college is marching from strength to strength.

The college is progressing by leaps and bounds. The visit of the NAAC Peer Team from Bengaluru proved to be a boon for the college as it was awarded 3.18 CGPA Grade out of 4 in 2016. The grade was given after thorough evaluation of the college's teaching-learning aspects, infrastructure, teaching techniques, co-curricular activities, etc. The college is accredited 'A' grade by NAAC which has further boosted its credibility in the region.
