Education plays a vital role in human progress and societal development. It is a powerful tool that has the potential to transform individuals, communities and entire nations. It is the key to personal growth and self improvement. It equips individuals with knowledge, skills and critical thinking abilities necessary to navigate through the complexities of life. Through education, people can discover their passions, interest and talents enabling them to pursue meaningful careers and lead fulfilling lives.

Our College is a leading institution which aims at imparting quality education to the girls of the region. It is marching from strength to strength by making its mark in academic and cocurricular fields. We promote social cohesion by fostering tolerance, understanding and empathy. The students are exposed to diverse perspectives and cultures helping to break down stereotypes and prejudices.

We are highly privileged to bring forth this issue of Annual Report which is a detailed account of all the activities, functions, events academic results and the research work carried out by our dedicated teachers. The Principal, members of the faculty, non-teaching staff and the students of the college are dedicated and committed in teaching, learning and serving. We believe our college provides right environment to the students along with their emotional growth and intellectual excellence. We hope to produce conscientious, confident citizens of the nation who will make the country proud with their deeds.

A Word by the Principal

A warm greeting to my dear students, their parents, members of the faculty, the trust members and every stakeholder reading the Annual Report of this academic session. This report encapsulates the remarkable journey and achievements of our college over the past year.

Our institution has consistently upheld its commitment to academic excellence, fostering vibrant learning environment. Our members of the faculty continue to inspire and shape the minds of our students, guiding them towards academic success and personal growth. The dedication and hard work of our students is evident in their impressive academic, co-curricular achievements and community engagement programmes.

I extend my deepest appreciation to our esteemed faculty whose tireless efforts drive our academic excellence. I also commend our students for their diligence and passion in pursuing their goals.

I am extremely delighted to present this issue of annual report which is a comprehensive record of the academic and extra-mural activities. A reading of this compendium will present the real picture of the college and its dedication towards its students and towards the community.

Happy Reading.

The Year That Was.....

Dasmesh Girls College, Mukerian is committed to provide quality education to the girls of this rural area. We work tirelessly towards the holistic development of our students. Since its inception in 2006, the college has earned a name for itself in the region in a very short span of time.

Over the year, the college has made tremendous progress in all areas – academic, research, sports, co-curricular activities, capacity building relevant to staff and students. The focus is on creating thinking individuals who take keen interest in not only academics but also in their surroundings and environment. The students are encouraged to do well in academics, excel in sports and extra co-curricular activities. Students are prepared to meet all the challenges thrown at them with courage and conviction.

Our students bag top positions in Panjab University examinations, win honours and prizes at Zonal Youth and Heritage Festival and various other competitions. In the session 2022-2023, the college hosted Zonal Youth and Heritage Festival in which 14 colleges of Hoshiarpur Zone B participated. The college won the overall Trophy in this festival and created history in the region. Many medals were won by the athletes in different sports tournaments for their alma mater during the year.

Another milestone was achieved this year when the college was ranked 7th in Punjab and 39rd in India among colleges by Education World India, according to Higher Education Rankings 2022-23.

To achieve and promote excellence in publications, the faculty always remain actively engaged in research activities, publishes research papers in journals of national and international repute.

We at DGC, are committed to provide quality education and all round development of the students so that they can become independent and productive members of the society in the future. We are a dynamic community of learners that works to explore, learn and grow.
