

Report on Celebration of Independence Day

As the competition is the best part of motivation. For encouraging our students, EBSB in collaboration with UBA organized Rangoli Making, Poster Making and Slogan Writing Competition to celebrate Independence Day. The students of all streams actively took part in these activities and all the winners are awarded with saplings and certificates as token of love & appreciation. Our champions and their parents are felicitated for getting victorious. And we stimulate our dearest pupils to take active part in these type of contests in future.
