

Anti-Drug Day Celebration

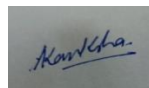

26 August, 2023

The Buddy Group has organized an Anti-Drug Day celebration to spread awareness about the harmful effects of drug abuse and to encourage students to lead a healthy, drug-free life. Highlights included an interactive workshop titled "Say No to Drugs," a poster-making competition on the theme "Drug-Free World." Participants took an anti-drug pledge, vowing to stay away from drugs and support others in making healthy choices. The event, which received positive feedback from students and faculty, successfully educated attendees about the hazards of drug abuse while fostering a supportive and responsible community. At this occasion Principal mam, members of buddy group and students were presented.
