

Anti-Drug Day Celebration

26 August, 2019

In compliance with government instructions, the Buddy Group has observed Anti-Drug Day by organizing a poster-making competition. The students showcased their creativity by designing impactful, thought-provoking posters, all aimed at raising awareness about the harmful effects of drug abuse. The competition encouraged a deeper understanding of the consequences of drug addiction and helped spread the message of living a healthy, drug-free life, resonating with the college's commitment to promoting wellness among its students. At this occasion Principal mam, members of buddy group & students were presented.
