

## No Tobacco Day

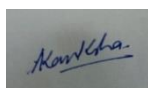

31<sup>st</sup> May 2021

Buddy Group has successfully organized an event for No Tobacco Day, following the guidelines from the Indian and state governments. The event featured a series of awareness program through a lecture and question answer session with students that focused on the adverse effects of tobacco use. The event ended with a pledge to remain tobacco-free and encourage others to join the fight against tobacco consumption. At this occasion Principal mam, members of buddy group and students were presented.
