## **Subject : Celebrated World Anti Tobacco Day**

The **NSS** department Celebrated the ' **World Anti Tobacco Day** ' on **31<sup>st</sup> May, 2023**. The volunteers participated in **Quiz Competition and Pledge Ceremony** on the Tobacco day. The volunteers disseminated the message to make people aware and educate them about the harmful effects on tobacco on health which causes cancer. This day emphasized the health and risk associated with tobacco.

### **Theme** for Quiz

- Water Management and recharging of redundant water bodies
- Elimination of plastic and non-biodegradable material usages
- Discourage felling of tress , plantation drive and waste management
- Emphasizing on reuse, recycle of natural resources
- Creating awareness towards climate control through seminars and holiday workshops at relevant forums
