Subject : Awareness Regarding Stubble Burning

The **NSS Wing of Dasmesh Girls College, Chak Alla Baksh, Mukerian** organised a **campaign against Stubble Burning on 22nd September, 2024**. The volunteers **aware the rural** people about negative impact of Stubble Burning on the environment. Stubble burning is a process of setting on fire the straw stubble, left after the harvesting of grains, like paddy, wheat, etc. The process of burning farm residue is one of the major causes of air pollution in parts of north India, deteriorating the air quality.
