OUR WORTHY MANAGEMENT COMMITTEE

The management of Dasmesh Girls College is guided by the visionary leadership of the Sri Guru Gobind Singh Educational Trust (Ch.), which has played a vital role in establishing and nurturing the institution as a centre of academic excellence. Under the dynamic guidance of S. Ravinder Singh Chak, Chairman of the Trust, the college management has consistently worked towards providing quality education, modern infrastructure, and holistic development opportunities for students. The dedicated members of the Trust contribute their experience, wisdom, and commitment to ensure smooth administration, academic growth, and the promotion of cultural and co-curricular activities. Through their collective efforts and strong sense of responsibility, the management has created a disciplined, progressive, and student-friendly environment that encourages learning, character building, and social responsibility. Their continuous support and farsighted vision have enabled Dasmesh Girls College to grow into a respected institution known for its commitment to educational excellence and community service.

ABOUT THE COLLEGE

Since its inception in 2001 under the aegis of the Sri Guru Gobind Singh Educational Trust (CH.), Dasmesh Girls College, Mukerian has made significant progress in the fields of academics, co-curricular activities, and sports. Under the visionary leadership of its idealistic Chairman, S. Ravinder Singh Chak, along with his dedicated team, the institution has consistently worked towards promoting the noble teachings of Guru Gobind Singh and fostering values of humanity and social responsibility among students. The affiliation of the College with Panjab University, Chandigarh in 2006 marked a significant milestone, enabling the institution to strengthen its academic foundation and expand its educational programmes. At present, the College offers a wide range of undergraduate and postgraduate programmes, including BA, BCA, BBA, B.Com, B.Sc. (Medical and Non-Medical), B.Sc. Fashion Designing, B.A., B.A.-B.Ed. (Four-Year Integrated Course under ITEP), M.A. (History, Hindi, Political Science, Punjabi, and Music), M.Com., and PGDCA, catering to the academic needs of approximately 1,200 students enrolled in various disciplines. The College has actively contributed to the promotion of cultural heritage and student talent by successfully organizing the Zonal Youth and Heritage Festival in 2009, 2012, and 2022. The institution has consistently performed exceptionally well in Zone-V competitions, competing with dedication and distinction, and has been awarded the Overall Trophy on several occasions, thereby establishing its strong presence among affiliated colleges. In the field of sports, the College has consistently maintained a commendable record, earning gold, silver, and bronze medals in various competitions over the years, reflecting its commitment to the holistic development of students.

MESSAGE BY THE CHAIRMAN

S. Ravinder Singh Chak
(Chairman, Sri Guru Gobind Singh Edu. Ch. Trust)
Member, S.G.P.C, Sri Amritsar

Education plays a vital role in human progress and societal development. It is a powerful instrument that has the potential to transform individuals, communities, and entire nations. It serves as the foundation for personal growth and self-improvement, equipping individuals with knowledge, skills, and critical thinking abilities necessary to navigate the complexities of life. Through education, individuals discover their passions, interests, and talents, enabling them to pursue meaningful careers and lead purposeful lives. Our college stands as a leading institution committed to imparting quality education to the girls of the region. It continues to move from strength to strength, making significant contributions in academic, co-curricular, and research-oriented activities. The institution actively promotes social harmony by fostering tolerance, understanding, and empathy among students. Exposure to diverse perspectives and cultures enables learners to overcome stereotypes and develop a broader outlook toward society.

We are highly privileged to bring forth this issue of the Research Newsletter, which showcases the achievements and initiatives undertaken in the field of Research and Development. This newsletter highlights the various research activities, innovative practices, seminars, workshops, academic achievements, and scholarly contributions carried out by our dedicated faculty members and students. The Principal, faculty members, and students of the college work collaboratively with commitment and dedication toward fostering a culture of inquiry, creativity, and innovation. We firmly believe that our college provides an enriching academic environment that nurtures intellectual excellence along with emotional and professional growth. Through sustained efforts reflected in this Research Newsletter, we aspire to cultivate responsible and confident faculty who will contribute meaningfully to society and bring pride to the nation.

A WORD BY THE PRINCIPAL

Learning is the cornerstone of progress, innovation, and social transformation, and research forms the backbone of meaningful academic growth. It gives me immense pleasure to present this issue of our Research Newsletter (2025-2026), which reflects the sincere efforts, dedication, and scholarly achievements of our faculty members and students. This publication stands as a testimony to our institution's continuous endeavor to promote a vibrant research culture and nurture intellectual curiosity among learners. In the present era of knowledge and innovation, research has become an indispensable element of higher education. It not only enriches teaching and learning but also encourages critical thinking, creativity, and problem-solving abilities. Our college firmly believes that true education extends beyond classroom instruction into exploration, discovery, and the creation of new knowledge. With this vision, the institution consistently motivates faculty members and students to participate in research activities, publish scholarly work, present papers in seminars and conferences, and engage in meaningful academic discussions.

The publication of this Research Newsletter is a commendable initiative that highlights the academic vigor and research potential of our institution. It showcases various research-oriented activities undertaken during the academic session, including seminars, workshops, faculty development programmes, conferences, and collaborative projects. Such initiatives strengthen academic excellence and contribute to the overall development of both students and the institution. I place on record my sincere appreciation for the dedicated efforts of the Research Development Cell, faculty members, and students who have contributed to this newsletter. Their commitment to academic excellence and pursuit of knowledge is truly praiseworthy. The enthusiasm shown by both faculty and students in research-related activities reflects a growing awareness of the importance of research in shaping academic and professional growth. Research plays a vital role in addressing societal challenges and fostering innovation for sustainable development. Through continuous encouragement and institutional support, we strive to create an environment that values originality, collaboration, and intellectual growth. I extend my heartfelt congratulations to all contributors and the editorial team for their commendable efforts in bringing out this valuable Research Newsletter. I wish this Research Newsletter great success and hope that it will continue to highlight the achievements and scholarly contributions of our college. Through sustained dedication and collaborative efforts, we aspire to nurture responsible, confident, and research-oriented individuals who will contribute positively to society and bring pride to the institution.

Dr. Karamjit Kaur
Principal

RESEARCH DEVELOPMENT CELL

The College has emerged as a vibrant centre of research, innovation, and scholarly engagement, with a sustained commitment to nurturing a research-oriented academic environment. Research is actively promoted among both faculty members and students, and the institution provides continuous encouragement for undertaking quality research, interdisciplinary studies, and academic collaborations. To strengthen research culture and facilitate intellectual exchange, the College has regularly organized a wide range of national and international seminars, conferences, workshops, Faculty Development Programmes, and research colloquia on diverse contemporary themes. These academic events have provided valuable platforms for meaningful interaction among scholars, researchers, and academicians from reputed institutions across the country and abroad. The faculty members of the College play a pivotal role in promoting and sustaining research culture. A significant number of teachers are engaged in pursuing and completing Ph.D. programmes, thereby contributing to advanced research and academic excellence. Faculty members have published research papers in reputed national and international journals, including journals indexed in recognized databases such as Scopus and other peer-reviewed indexing platforms.

In the domain of academic publishing, the College has made noteworthy contributions over the past several years. Numerous edited volumes, research monographs, reference books, and conference proceedings have been published by teachers under the auspices of the College, showcasing the institution's growing research capabilities. Furthermore, the College has been publishing an international peer-reviewed Indexed journal Vision An International Multidisciplinary Journal of Humanities & Management since 2014, which follows established academic standards and provides a credible platform for researchers to disseminate original research and engage with global scholarly discourse. Through these sustained initiatives, the College continues to strengthen its commitment to excellence in research, knowledge creation, and dissemination.

FROM THE EDITOR'S DESK

The publication of the Research Newsletter for the academic session 2025–26 marks another significant step in strengthening the research culture of our institution. This newsletter has been thoughtfully prepared with the objective of compiling and presenting the wide spectrum of research activities undertaken by our committed faculty members and enthusiastic students throughout the session. It serves as an academic record of scholarly achievements, including research publications, participation in seminars, conferences, workshops, and various academic initiatives that contribute to the growth of knowledge and innovation within the institution.

In today's dynamic academic environment, the importance of research-based learning has increased tremendously. Keeping this in view, continuous efforts have been made to motivate students, especially those of Postgraduate classes, to develop a keen interest in research and academic writing. They are guided to explore new ideas, strengthen their analytical abilities, and prepare research-oriented articles. It is encouraging to note that several such scholarly contributions prepared by students and teachers have been included in this newsletter, reflecting their dedication and intellectual curiosity.

This newsletter not only highlights the research accomplishments of the institution but also aims to inspire a spirit of inquiry, creativity, and collaboration among learners and educators. As the Editor, I feel deeply grateful to the esteemed Management and the respected Principal for their constant encouragement and visionary support in promoting research initiatives during the session 2025–26. I also extend my sincere appreciation to all faculty members, students, and my hardworking team members whose cooperation, dedication, and collective efforts have made the successful compilation and publication of this Research Newsletter possible.

Dr. Sarita Rana

Research & Development Cell

ABOUT THE RESEARCH NEWSLETTER

It is a matter of great pride and satisfaction to present the Research Newsletter-2026 for the academic session 2025-26, which reflects the dynamic academic environment and the collective scholarly achievements of our institution. This newsletter has been carefully compiled to provide a comprehensive overview of the wide range of research activities undertaken by faculty members and students throughout the session. It highlights the continuous efforts made by the academic community to engage in meaningful research, contribute to knowledge creation, and uphold the standards of higher education. During the academic session 2025-26, the college has demonstrated remarkable commitment towards strengthening its research culture.

Faculty members and students have actively participated in various research-oriented activities, including the publication of research papers in reputed national and international journals, the authorship of scholarly books, and the presentation of papers in conferences and seminars. The Research and Development Cell has also successfully organized numerous national and international seminars, workshops, conferences, and extension lectures, which have provided valuable platforms for intellectual exchange, academic dialogue, and professional development. These initiatives have played a significant role in enhancing research awareness and encouraging interdisciplinary collaboration among scholars.

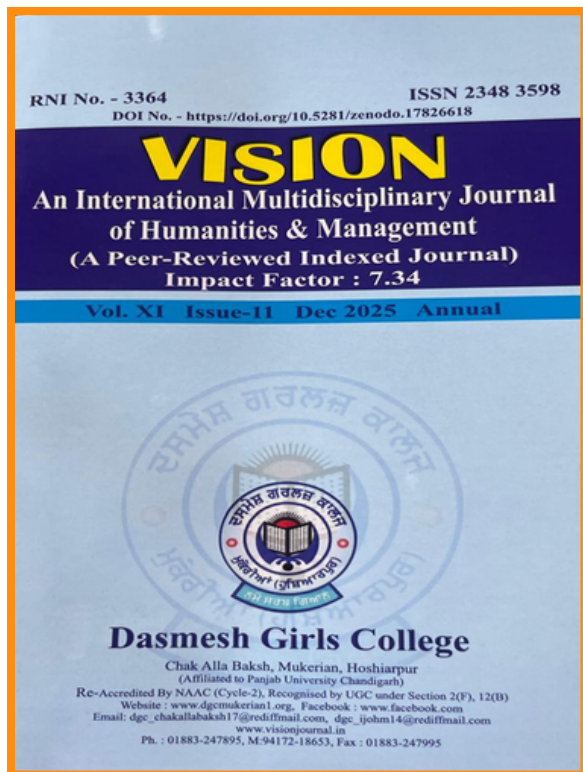

A noteworthy feature of this session has been the active involvement of postgraduate students in research and academic writing. Their contributions in the form of research papers, project work, and participation in scholarly activities reflect the institution's dedication to nurturing young researchers and developing their analytical and critical thinking abilities. The recognition of outstanding scholarly work through awards and appreciations has further motivated both faculty and students to strive for excellence in research and innovation. This Research Newsletter serves not only as a record of achievements but also as a source of inspiration for the entire academic community. The central aim of this Research Newsletter is to highlight the overall research activities carried out by the college during the academic session 2025-26 and to promote a sustained culture of research and innovation. It is hoped that this publication will encourage greater participation in research endeavors, inspire new ideas, and contribute to the continued academic growth and excellence of the institution in the years to come.

RESEARCH HIGHLIGHTS

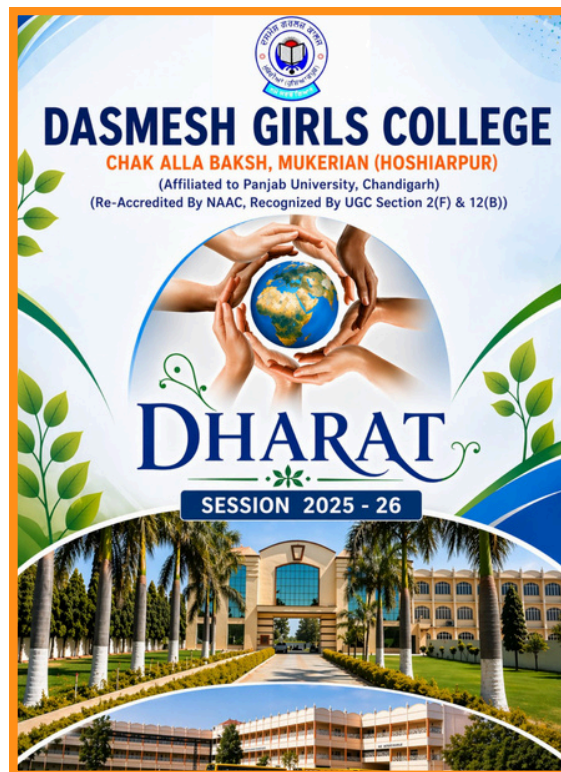

Vision

An International Multidisciplinary, Journal of Humanities & Management (A Peer-Reviewed Indexed Journal), Impact Factor: 7.34

Dharat

Dasmesh Girls College's Annual Magazine Session 2025-26

Vision: An International Multidisciplinary Journal of Humanities & Management is an Annual publication of Dasmesh Girls College, Chak Alla Baksh, Mukerian, Distt Hoshiarpur. Vision welcomes the papers concerned with the study of Social Sciences, Management and Literature. The purpose of publishing this international Journal is to explore the latent talent in the deep recesses of the scholars so that they may communicate it to establish their social and cultural relationship with others. The collection of the articles of the different scholars on different topics will enable others to come forward with the compositions on the different aspects of life.

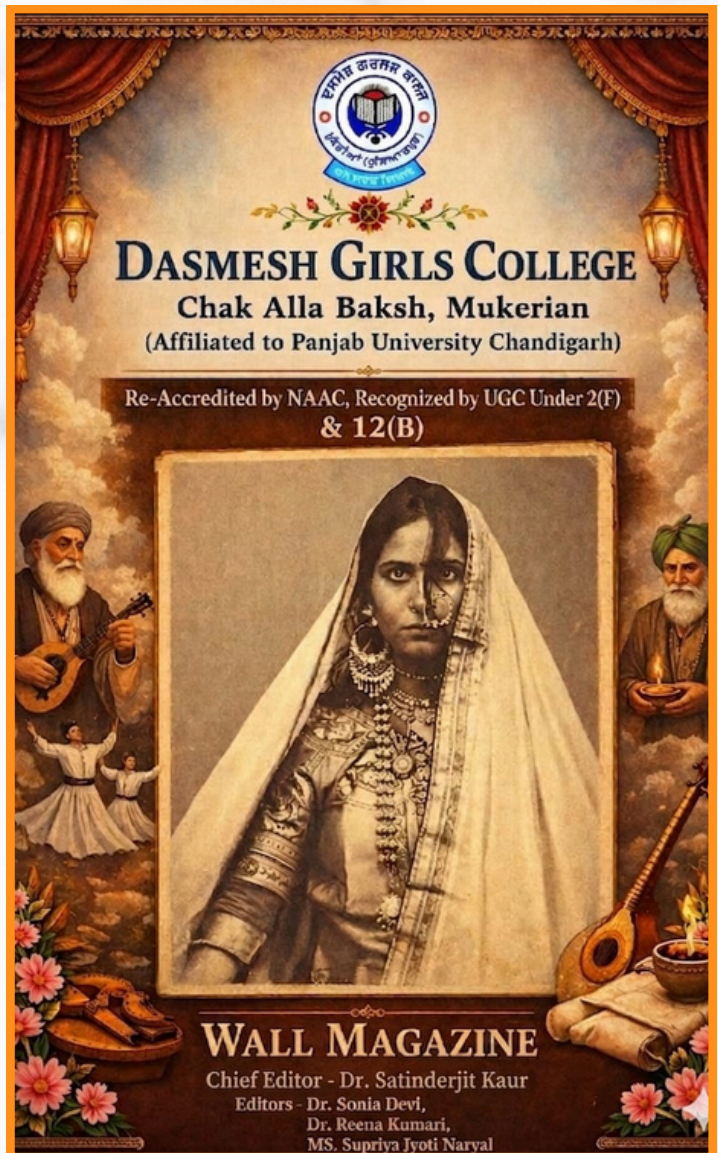

Its objective is to delineate the processes of the articulation of the different sections of global society and to integrate them on the larger canvas of the world. The present volume contains different articles on Social Sciences, Management and Literature. In this way, this is going to be a compendium of different thoughts of the scholars. The Journal follows the procedure of Peer-Reviewed Journal and the articles submitted for publication will be referred to the members of Advisory Board, after whose approval they will be accepted for publication.

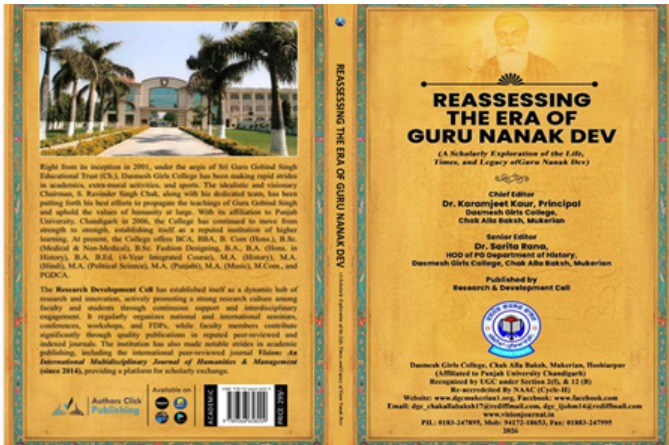

The annual college magazine Dharat is a prestigious publication of Dasmesh Girls College, released every year with great enthusiasm and scholarly spirit. The magazine serves as an important platform for students to showcase their literary, cultural, and creative abilities through poems, essays, short stories, articles, travelogues, and artistic expressions such as drawings and paintings. It reflects the vibrant intellectual environment of the college and encourages students to cultivate originality, critical thinking, and confidence in expressing their ideas. In addition to student writings, Dharat also includes valuable contributions from faculty members, messages from the principal, and reports of significant academic, cultural, and co-curricular activities organized throughout the year.

The magazine acts as a record of the institution's achievements and milestones, preserving memories of important events and student successes. By promoting multilingual writings often in Punjabi, Hindi, and English it also strengthens linguistic skills and nurtures respect for literature and cultural heritage. Over the years, Dharat has become more than just a magazine; it is a symbol of creativity, collaboration, and academic excellence within Dasmesh Girls College. It motivates students to participate actively in literary pursuits and provides them with an opportunity to see their work published, which inspires a lifelong appreciation for reading and writing. Through this annual publication, the college continues to foster a rich literary tradition and a strong sense of community among students and teachers alike.

WALL MAGAZINE "PEERO PREMAN"

Peero Preman, a renowned Sufi poetess of Punjab, is remembered for her deep spiritual wisdom and devotional poetry that reflects love, faith, and mystical union with the Divine. Her verses continue to inspire Punjabi literary traditions, symbolizing the rich heritage of Sufi literature in Punjab and the power of poetry as a path to spiritual enlightenment. The college wall magazine Peero Preman, started in 2025 with the collaboration of Punjabi Sahit Sabha, Mekerian. It serves as a dynamic literary platform that encourages students to explore and express their creative abilities. It provides an excellent opportunity for students of Punjabi, Hindi, and English literature to present their original writings in the form of poems, short stories, essays, articles, and other creative works, thereby nurturing their literary talent and confidence. The magazine reflects the spirit of creativity, cultural richness, and linguistic diversity within the institution, while also promoting reading and writing habits among students. The successful functioning of Peero Preman is made possible under the able guidance of Chief Editor Dr. Satinderjeet Kaur, along with the dedicated support of Dr. Sonia Devi (Punjabi Literature Head), Dr. Reena Devi (Hindi Literature Head), and Ms. Supriya Jyoti Naryal (English Literature Head), who continuously motivate, guide, and assist students in refining their ideas and presenting their literary expressions in an effective and meaningful manner. Through their encouragement and mentorship, the wall magazine has become an inspiring space for young writers to share their voices and celebrate the beauty of language and literature.

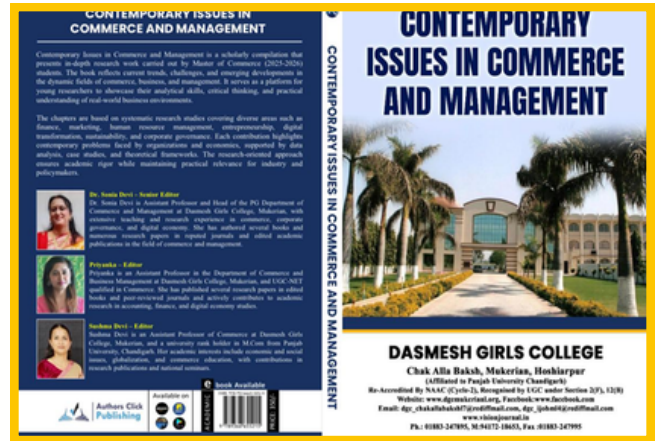

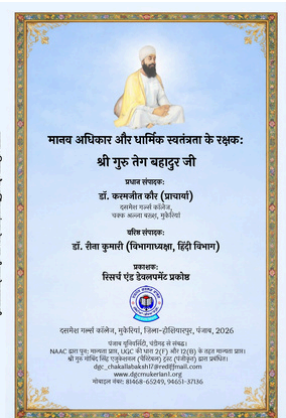

Reassessing the Era of Guru Nanak Dev (A Scholarly Exploration of the Life, Times, and Legacy of Guru Nanak Dev) offers a thoughtful and critical engagement with one of the most transformative periods in South Asian history. This edited volume brings together well-researched articles contributed by postgraduate students of the college, reflecting their academic rigor, originality, and fresh perspectives. The work revisits the life and teachings of Guru Nanak Dev within the socio-political, cultural, and religious context of late medieval India, a period marked by deep social divisions, rigid caste structures, and spiritual unrest. Moving beyond conventional narratives, the book situates his message within the wider currents of devotional traditions such as the Bhakti Movement and the Sufi Movement, highlighting ideals of equality, compassion, and interfaith dialogue. In addition, the volume emphasizes the historical significance of Guru Nanak Dev's travels, teachings, and social vision, presenting him not only as a spiritual leader but also as a reformer who sought to promote harmony and ethical living in society. Overall, the book serves as an important academic contribution that deepens historical understanding of Guru Nanak Dev's life and legacy while encouraging young scholars to engage in meaningful research and critical historical inquiry.

The Dept of Science organised a National Seminar sponsored by the College Development Council (CDC), Panjab University, Chandigarh on 4 Nov, 2025 serves as an important platform for researchers, academicians, and students to present their scientific work. The research papers presented during this seminar are often compiled and published as conference proceedings in the international journal of Innovative research in technology. These publications are assigned standard identifier such as:ISSN (International Standard Serial Number) &DOI no per article. There are a collection of 11 research papers from various colleges.

Contemporary Issues in Commerce and Management published by Dasmesh Girls College is a significant academic compilation that provides a valuable platform for all M.Com. students to publish their research-based articles and scholarly work. This edited volume reflects the collective academic efforts of postgraduate students, presenting their analytical insights on emerging trends, challenges, and innovations in the fields of commerce, business, and management. The book includes research articles covering diverse areas such as finance, marketing, human resource management, digital transformation, entrepreneurship, sustainability, and corporate governance, highlighting the practical relevance of academic study to real-world business environments. By encouraging every M.Com. student to contribute their work, the publication fosters research aptitude, critical thinking, and academic writing skills among young scholars. Overall, this volume stands as an important scholarly achievement of the Department of Commerce, promoting collaborative learning and strengthening the culture of research and publication within the institution.

This edited volume is a respectful tribute to the martyrdom of Guru Tegh Bahadur, whose supreme sacrifice in Delhi in 1675 occupies a significant place in the history of India as a symbol of courage, moral conviction, and the defense of religious freedom. The book brings together a collection of scholarly writings that explore various dimensions of his life, teachings, and martyrdom, highlighting his steadfast commitment to the principles of justice, tolerance, and the protection of human dignity. Through thoughtful research and critical reflections, this edited work aims to deepen the understanding of his enduring legacy and the historical importance of his sacrifice. It seeks not only to commemorate his martyrdom but also to inspire readers to appreciate the timeless values of truth, sacrifice, and humanity that he upheld, making this volume a meaningful contribution to the study.

PUBLICATIONS BY FACULTY

Dr. Narpinder Kaur, Assistant Professor, Department of Chemistry, Ph.D. (2010), published a research paper titled “Petroleum History, Formation and Distillation Products” in Shodh Samalochan, ISSN: 2348-5639, Volume 12, Issue 2 (April–June 2025).

Dr. Sonia Devi, Assistant Professor, P.G. Department of Punjabi, published a research paper titled “SIASI DAMAN DA NAAT- PARTIBIMB: RAHAT” in the journal Armaan, Volume 3, Issue 3 (July–September 2025), pp. 129–133, ISSN: 2583-9446, Impact Factor 4.67.

Extension Lecture on "Understanding NEP-2020 Internship Guidelines: Opportunities and Expectations for Students"

Institutional Support Scheme for Research Publication in High-Impact Journals

The Management of Dasmesh Girls College, Chak Alla Baksh, Mukerian, under the guidance of Sri Guru Gobind Singh Educational Charitable Trust (Regd.) (Ch.), has taken a significant initiative to promote a strong research culture among faculty members. With a vision to encourage academic excellence and innovation, the Management sanctioned a handsome amount of financial support to strengthen research activities and motivate teachers to publish their scholarly work in reputed national and international journals. In continuation of this initiative, the Research Development Cell (RDC) of the college plays an active role in implementing this scheme by reviewing and verifying the quality of research papers submitted by faculty members. After ensuring that the publications meet the required academic standards and are published in peer-reviewed and high-impact journals, the R&D Cell facilitates the distribution of financial assistance to deserving faculty members.

During the academic session 2025–26, the R&D Cell successfully provided up to 75% of the sanctioned amount of financial support towards publication charges to faculty members, which significantly encouraged them to contribute quality research to recognized journals. This initiative has not only enhanced the research output of the college but has also strengthened its academic presence at national and international levels. Such continuous efforts by the Management and the R&D Cell reflect the institution's commitment to fostering innovation, critical thinking, and professional growth, thereby creating a supportive environment that inspires faculty members to pursue research excellence and contribute meaningfully to the advancement of knowledge.

Rules and Regulations for Submission of Papers to Research Development Cell (RDC)

- The research paper must be original and unpublished, and should not have been submitted to any other journal or conference simultaneously.
- Authors must submit the original research paper within the stipulated time. Papers submitted after the deadline will not be accepted under any circumstances.
- All submissions must follow the prescribed format and guidelines issued by the Research Development Cell.
- The amount of financial support for publication will be decided according to the sanctioned funds available under the Research Development Cell scheme.
- Authors are responsible for ensuring that their paper is free from plagiarism and maintains academic integrity.
- The Research Development Cell reserves the right to accept or reject any paper that does not meet the required standards or guidelines.
- Any incomplete or improperly formatted submissions will not be considered for review or financial support.
- All communication regarding submission, review, and financial assistance will be carried out through the official channel of the Research Development Cell.
