## A WORD BY THE PRINCIPAL

It gives me immense pleasure to present before you the Annual Report of our esteemed institution for the academic year 2024–2025. This year has been a remarkable journey marked by academic excellence, holistic development, and collective achievements.

At the heart of our institution lies a commitment to nurturing inquisitive minds, fostering creativity, and building responsible citizens. I am proud to share that our students have once again proved their mettle by excelling in university examinations, competitive forums, research presentations, and co-curricular activities. The faculty, with unwavering dedication, has played a pivotal role in maintaining high academic standards, mentoring students, and contributing to knowledge through research and innovation.

Our college has also been proactive in organizing seminars, workshops, and extension activities that reflect our vision of inclusive and value-based education. Various departments have hosted guest lectures and training programs that bridge the gap between theory and practice. We take pride in our National Service Scheme (NSS), National Cadet Corps (NCC) and SAP Committee whose initiatives continue to serve the community and raise awareness on pressing social and environmental issues.

I extend my heartfelt gratitude to the management, teaching and non-teaching staff, parents, alumni, and well-wishers whose continuous support has enabled us to thrive. I congratulate all students for their efforts and urge them to continue their pursuit of knowledge with discipline, humility, and integrity.

Let us together march ahead with renewed enthusiasm and a shared vision—to make this institution a beacon of light and learning for future generations.

Thank you.
